# Introducing our updated and new adult courses!

Our first level of courses helps us to work on conflict in our own lives. We have two streams of training: *Everyday Peacemaking* and *The Heart of Peacemaking*...

## Personal Peacemaking

### 101. Everyday Peacemaking

8:30am-3:30pm

*Tired of being buffeted by conflict around you? Wondering what God is doing when peace is absent?*

In this training, you will:

- learn a simple framework for understanding and dealing with conflict
- gain powerful peacemaking principles and relational tools
- understand the biblical foundations of peace and reconciliation
- discover gracious ways to deal with difficult people
- have time to reflect upon your personal experience of conflict and peacemaking
- learn how you can begin supporting and building a culture of peace in your community/spheres of influence
- discover opportunities to glorify God, serve others and grow to be like Christ, even in the midst of conflict

This level of training is suitable for all Christians as we work together to promote peacemaking in our own lives, families, workplaces, churches and communities.

### 102. The Heart of Peacemaking

8:30am-3:30pm

*An improved ability to be a peacemaker and to respond well to the challenge of conflict requires a deeper understanding of ourselves, our relationship with God and the deeper things which drive our responses to challenging situations.*

In this training, you will:

- reflect upon and practise foundational principles and skills learned in Everyday Peacemaking
- gain a deeper understanding of the role of the human heart in more serious conflicts
- discover a powerful tool to understand the drivers of your and others' behaviours
- become better equipped to respond well to challenging people and situations
- engage further with principles of confession and forgiveness
- more seriously explore the concept of a culture of peace and how you can support it in your community/spheres of influence

This training is suitable for all Christians wanting to be more deeply equipped to respond in God-pleasing ways to be a peacemaker, reconcile relationships and address conflict in their own lives. It is **highly** recommended, even if you have already done higher levels of PeaceWise training.

**"Every Christian everywhere should do this training"**

Rebecca, past course participant

The other levels of our training are conflict coaching (helping others through conflict) and mediation (bringing two or more parties together).

Register online at [peacewise.org.au](http://peacewise.org.au)

In 2017 our conflict coaching and mediation courses remain the same comprehensive training as in prior years. In the coming years, we will have two streams for each level: an 'everyday' stream and a 'going deeper' stream.

## Conflict Coaching

### Conflict Coaching

**8:30am-5.00pm**

The purpose of conflict coaching training is to equip you to help others resolve conflict and reconcile relationships without your direct involvement in the conflict.

This training will teach you how to provide encouragement, godly advice, prayer, support and informal instruction in basic peacemaking to an individual who is struggling with a conflict. You use conflict coaching skills any time you offer advice or your opinion to a friend, family member or neighbour on how to respond to a conflict.

### Conflict Coaching - Going Deeper

Available in 2018

## Mediation

### Mediation

**8:30am-5.00pm**

Through mediation training, you will learn skills and processes for reconciling two or more people who cannot resolve a conflict on their own. The focus is on both restoring the relationship *and* resolving the material issues. This training is provided by experienced conciliators and gives special attention to communication and problem-solving skills that are needed for effective mediation. It also addresses some of the problems that are more frequently encountered during mediation.

### Mediation - Going Deeper

Available in 2019

PeaceWise Ltd is a national, cross-denominational not for profit ministry established in 2007, and is a registered charity with the ATO.

We are all people who have seen first-hand what happens when conflict escalates and results in broken relationships or even legal action. We have also seen the amazing positive changes in lives and relationships that can occur when people allow God to work in their hearts in how they deal with conflict. We have seen serious issues addressed, confessions that were never thought possible, expressions of love and forgiveness that seemed beyond hope, and relationships restored that seemed broken beyond repair.
