Conflict doesn't have to be a disaster...

We ALL need help with conflict and challenging relationships! But so rarely have we been taught how to bring peace and hope to those situations.

The PeaceWise Everyday Peacemaking workshop is a one day course that will help you grow personally in your ability to respond well to conflict and challenging relationships. The training will give you the peacemaking tools you can apply to a range of contexts, enabling new hope to be brought into relationships.

What is covered in the training

This first course will help you focus on what God is doing in your everyday relationships and help you be someone who makes peace rather than fakes it or breaks it!

In this training you will:

- learn a simple framework for understanding and dealing with conflict
- gain powerful peacemaking and relational tools
- understand the biblical foundations of peace and reconciliation
- discover gracious ways to deal with difficult people
- have time to reflect upon your personal experience of conflict and peacemaking
- learn how you can begin supporting and building a culture of peace in your community/spheres of influence
- discover opportunities to glorify God, serve others and grow to be like Christ, even in the midst of conflict.

This level of training is suitable for all Christians as we work together to promote peacemaking in our own lives, families, workplaces, churches and communities.
